**Community Conversations:
Resources for Women & Girls**

What's available? What's Needed?

We'll learn from representatives of three organizations:

- Elizabeth Moss, Executive Director,
Interfaith Assistance Ministry
- Daniel Carey, Community Engagement,
Pisgah Legal
- Krissey Browder Masotti, Development and
Communications Director, THRIVE

For 144 years, AAUW has supported the advancement of women and girls through **advocacy, education and research**. Our local Hendersonville Branch has furthered that goal for 47 years and this program is no exception. In this Community Conversation, we want to learn what resources are available for local women and girls and what is needed. **We invite all members of our community to participate in this discussion.**

You are welcome to bring your own lunch, order from us, or just attend the program. Optional lunch is \$16 and includes a chicken salad or smoked turkey sandwich, chips, sweet tea and dessert.

If you're bringing a guest or just attending the program, please let us know so we can have a nametag ready.
